

PepperBall®

VKS™ DRUM MAGAZINE

QUICK START GUIDE

MAGAZINE OVERVIEW

OPERATIONAL INSTRUCTIONS

1. With the magazine in your left hand and the winder knob facing towards you, turn the winder knob to the right(clockwise) until it stops. Roughly 3 full turns.
2. Load 32 PepperBall® round or VXR™ projectiles. VXR™ projectiles should be loaded in the same manner as all PepperBall® launchers, with the nose pointed towards the front. **Do not partial load.**

3. Confirm projectiles are securely in place by moving projectile retainer back. Projectiles should **NOT** be ejected from the magazine.
4. Firmly insert into VKS™ magwell. You should hear an audible “click” as the VKS™ interacts with the projectile release and projectile retainer. The projectile release engages with the VKS™ regulator, releasing tension on projectile stack.

TROUBLESHOOTING

1. Do not partially load this magazine. You **must** load it with 32 PepperBall® round or VXR™ projectiles.
2. Do not wind up the magazine and press projectile release without projectiles. This will damage the drum magazine.
3. If you break a projectile in your VKS™. Remove the magazine before trying to clear the broken projectile.
4. If the follower becomes stuck inside the magazine. Try turning the winder knob to clear the jam. If that does not work, Open the rear of the drum using the latch shown below. Be careful to not twist the string follower. Clear broken projectile fragments and close rear access.

WARNING: THIS PRODUCT IS NOT A TOY AND IS INTENDED FOR SELF-DEFENSE ONLY. There may be state or local restrictions on the purchase, possession, and use of the VKS™ DRUM MAGAZINE. Verify the legal requirements in your state and city to ensure proper possession and use. The user assumes liability for unsafe or improper use, or any actions that violate applicable laws or regulations. The VKS™ DRUM MAGAZINE may be prohibited in certain locations, including government buildings, airports, courthouses, schools, or other public spaces, and its use may subject the user to criminal liability.

⚠ WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.
