BURST™ OVERVIEW

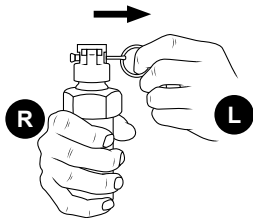

OPERATIONAL INSTRUCTIONS

There are three recommended methods for handling the BURST:

1. Right-Hand Deployment

Hold the BURST™ firmly in your right hand in an upright position with the release lever secured in the web of your hand.

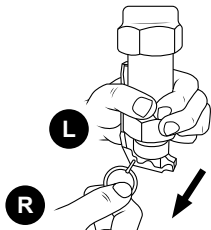

Use your left hand to remove the pull pin.

2. Left-Hand Military Deployment

Hold the BURST firmly in your left hand in an inverted position with the release lever seated in the web of your hand. This positions the pull pin toward the right side of your body.

Use your right hand to pull the pull pin.

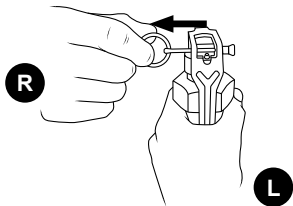

OPERATIONAL INSTRUCTIONS

3. Left-Hand Non-Traditional Deployment

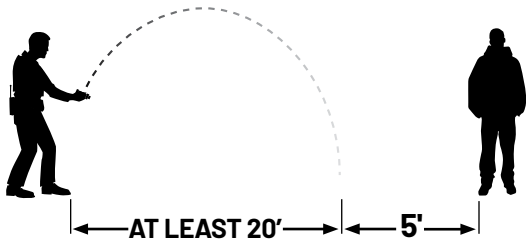

Hold the BURST™ firmly in your left hand in an upright position with the release lever seated in the web of your hand. Roll your wrist inward toward the center of your chest. This positions the pull pin toward the right side of your body.

Use your right hand to pull the pull pin.

WARNING: DO NOT LET GO OF THE RELEASE LEVER UNTIL DEPLOYMENT.

OPERATIONAL INSTRUCTIONS

Deploy Device

Deliver the device toward the intended area, maintaining a minimum distance of 5 feet from any person. Activation typically occurs within 2–2.5 seconds of releasing the release lever.

WARNING: After deployment, the BURST™ device and/or its components may continue to travel or be propelled beyond the point of activation. Maintain a safe distance of at least 20 feet from the deployment location and be aware of surrounding persons and objects.

REMINDER: If your BURST device contains powder, be mindful of wind direction and positioning to minimize exposure.

WARNING! Keep out of the reach of children.

LIMITATIONS AND USAGE: There are some state or local limitations on purchase, possession, and use of the BURST™. Verify local legal requirements in your state and city to ensure possession and use are proper. The user assumes the liability from unsafe or improper use or any action which constitutes a violation of any applicable law or regulation.

The BURST may be prohibited from certain premises, including government buildings, airports, courthouses, schools, or other public spaces. Possessing a BURST in a prohibited area may subject user to criminal liability.

WARNING: If misused, the PepperBall® BURST is a dangerous weapon.

The user assumes all liability from unsafe handling or any action that constitutes a violation of any applicable laws or regulations. United Tactical Systems, LLC shall not be liable for personal injury, loss of property, or loss of life resulting from the use of this weapon under any circumstances, including any intentional, reckless, negligent, or accidental discharges. By using this PepperBall BURST, you release United Tactical Systems, LLC of any and all liability associated with its use.

WARRANTY: Five years from date of purchase when stored in a cool, dry environment in original, unopened packaging. Two years from date of opening, provided the product is protected from prolonged heat and direct sunlight.
