

PEPPERBALL® AIR SUPPLY

12V PATROL VEHICLE COMPRESSOR

The 12V Patrol Vehicle Compressor delivers fast, reliable air refills directly from a patrol vehicle. Compact and easy to use, it features automatic shut-off, a filtered fill-whip line, a condensation-reducing bleed valve, and illuminated controls. With adjustable fill volume and simple vehicle-battery connection, it provides dependable on-the-go air support for patrol operations. **For PepperBall launcher air systems only. DO NOT USE FOR BREATHING AIR.**
