

## PEPPERBALL® LAUNCHERS

# TAC-SA PRO PLUS™

The TAC-SA PRO PLUS is an upgraded version of the TAC-SA PRO™ and is a robust semi-automatic launcher, tailored for high-intensity situations such as daily patrol and crowd management. It features a 30 cu in 4500 psi carbon fiber tank, an upgraded folding stock with push-button release, a metal toolless tank clamp, a quick-removal grip frame, and an improved M4 AR grip-style handgrip with a yellow silicone textured grip for enhanced control. The TAC-SA PRO PLUS includes a 160-round hopper for PepperBall 0.68-caliber round projectiles and a barrel-mounted picatinny rail for added accessory flexibility, delivering rapid area coverage and dependable versatility.
