

**PEPPERBALL® VXR™ PROJECTILES****VXR SHATTER™**

Micro-ball-based projectile designed to break tempered and reinforced glass. On impact, VXR SHATTER releases ultra-hard ceramic micro-balls, concentrating energy in a tight area and spreading the spheres across the point of contact for maximum effect. Carrier disintegrates at the surface, meaning no large mass continues forward, reducing risk to occupants and critical assets inside the target area. **Not for use on humans or animals.**

SPECIFICATIONS

WEIGHT	3.8 g
CALIBER	0.68 x .72
PAYLOAD	N/A
SHELF LIFE	3 years from opening or 5 years from date of purchase
VELOCITY	280–425 FPS
RANGE	150-300 ft
SATURATION	N/A
KINETIC IMPACT	N/A

FEATURES

- Shatters Reinforced / Tempered Glass
- Ultrasonically Welded and Spin Stabilized
- Finned Construction for Long Range Deployment
- Non-toxic
- 100% Waterproof and Non-flammable
- Operational Temperature of -30°F to 150°F

PAYLOAD

- Ceramic Micro Balls

SKU: 148-01-0050 **50ct.**
